The **Gourmet Premium** experience at **The Pyramid Cancun** reaches its highest expression with **Benazuza World**, a brand that brings together five culinary concepts that stand out for their gastronomic quality and unmatched creativity.

Benazuza, innovative techno-emotional cuisine, winner of international recognitions.

BZZA The Gastrobar, exquisite tapas in an intimate space for special events and private groups.

The Black Sens, a sensory experience in complete darkness that awakens all the senses.

Sakura, Nikkei cuisine that combines the best of Japanese and Peruvian gastronomy with Mexican accents.

Sakura Izakaya, Nikkei-style bites and colorful mixology in a space that reflects Eastern perfection.

Each of these spaces fuses technique, emotion, and culinary art, making them true experiences waiting to be discovered.
